## **Rhode Island Arbor Day**

This FREE event is hosted by the Town of East Providence at North Hull Street Park in East Providence featuring speakers, awards, and the planting of shade trees. It is open to the public. Visit [www.ritree.org/arbor-day-celebration](http://www.ritree.org/arbor-day-celebration) for additional details and directions. *Sponsored by the Rhode Island Tree Council, Rhode Island Department of Environmental Management and National Grid.*

As we mark 51 years of Earth Day, the Town of Barrington has been named as one of 14 Rhode Island communities receiving recognition as a 2020 Tree City USA from the Arbor Day Foundation.

The Town Council has issued a proclamation designating Friday, April 30th as Arbor Day. Events have been planned in recognition of Earth Day and Arbor Day.

Since 1976, Tree City USA has been a nationwide movement providing a framework necessary for communities to manage and expand their public trees. The recognition program for municipalities is sponsored by the Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters.
