

Town of Barrington

Commit to Action Pledge

The killings of George Floyd, Breonna Taylor, Ahmaud Arbery, and the loss of far too many Black lives have left our Nation anguished and outraged. More than 1,000 people are killed by police every year in America, and Black people are three times more likely to be killed than White people. Together, we can work to redefine public safety that recognizes the humanity and dignity of every person.

We therefore pledge to:

- **Review** the Barrington Police Department's use of force policies.
- **Engage** the Barrington community by including a diverse range of input, experiences, and stories in our review.
- **Report** the findings of the review to the Barrington community and seek feedback.
- **Reform** the Barrington Police Department use of force policies, as necessary.
