The Barrington Police Department and the Rhode Island Department of Public Safety/Municipal Police Training Academy (RIDPS/MPTA) requires each candidate to bring a completed Physical Fitness Test Certificate to the Physical Fitness Test before he/she will be allowed to participate in the test. A statement must be obtained from a licensed physician that the candidate is of sufficient physical conditioning to undergo a Physical Fitness test. The Fitness Test Medical Certificate **must** be completed within six (6) months of the Physical Fitness testing date.

Attached to this form is a listing of the minimum physical fitness standards a candidate must attain. We ask that your evaluation be based upon these criteria. Thank you for your assistance.
