

Parenting IS Prevention Video Series

A series of videos created by parents for parents with children from pre-K to high school and beyond.

Get the latest information and support for raising healthy, happy children in Barrington.

Examples of Topics:

- How to deal with stress in my child's life?
- When do I start prevention with my children?
- How can I inspire my children to strive to be their best?
- What do I need to know about vaping?
- How does marijuana impact academics?

Find the videos on our website www.thebayteam.org and on YouTube
