**Important Notice About  
Your Prescription Drug Coverage and Medicare**

Dear Employee or former Employee:

The Medicare Modernization Act of 2003 requires all employers that offer prescription drug coverage benefits to notify employees and retirees who are Medicare eligible, or who may be Medicare eligible, as to the value of the current prescription drug benefit compared to that of the optional Medicare Part D drug benefit, which went into effect on January 1, 2006.

In order that we may fully comply with the notification requirement stated above, please contact our office prior to **December 3, 2018** if you or a family member are eligible for Medicare Part A and/or enrolled in Medicare Part B.

Please reply to the contact information listed below with office hours Monday through Friday from 8:30am – 4:30pm.
