

# LATHAM PARK RESILIENT SHORELINE PROJECT

## ZOOM PRESENTATION

The Town of Barrington is evaluating options to stabilize the southerly portion of the Latham Park shoreline, which has experienced worsening erosion in recent years.

On Wednesday, December 1<sup>st</sup> at 7 p.m., Mark Georgian, a coastal engineer with First Water Engineering in Sharon, MA, will be presenting concepts designed to reduce erosion and make the Latham shoreline more resilient to impacts from climate change.

The presentation will be held via Zoom only.

The Zoom information is below (passcode required).
